Ref. A. 1332/52 dated 17-10-52.

Sir,

Sub: Pension - Ex-gratia grant - Grant of - to the widow of ~~to the widow of~~ late Forester U. Sanjeeva Rao, South Kanara Division.

I enclose herewith the gratuity papers together with the records of enquiry by the Revenue officials in respect of late Sri U. Sanjeeva Rao, Forester, South Kanara Division.

2. The deceased was an ex-military candidate and was appointed as a Forester in a war reserved vacancy on 10-10-47 in South Kanara Division. He was confirmed on 1-4-50 as Forester. He had to suddenly enter on medical leave from 3-7-51 and ever since that time he was under medical treatment in Mangalore and in Bombay and finally he died at Bombay on 13-5-52. From the letter written by the deceased's brother-in-law, Sri B. Anand Rao, to the Dt. Forest Officer, South Kanara, the deceased was suffering from cancer. The deceased had served the department continuously from 8-3-48.

3. The late Sri U. Sanjeeva Rao had left behind his wife and three minor children (two daughters aged 9 and 4 years and one son aged 7 years). They have no relatives to support them except her brother who it is stated will not be able to maintain a family of four members for a long time.

4. According to the enquiry by the Revenue officials the deceased had not left any immovable properties but had left his family as destitutes without any means to get on independently. He was not a subscriber to the G.P.Fund. He had insured his life for Rs. 1000/- but according to the enquiry the policy had been pledged to the Company as the deceased could not pay the premia.

Liability.- It is reported that due to the prolonged illness of her husband the widow has pledged her jewels for Rs. 500 and no documentary evidence has been produced to this effect. Some of the moveable properties are also reported to have been annexed by the land-lord for the arrears of house rent.

5. The rules do not permit the grant of compassionate gratuity to a government servant who had rendered less than ten years of permanent service. But taking into consideration the young age of the widow and the children and their present helpless condition and the military service rendered by the deceased, I recommend that an ex-gratia grant of Rs. 750/- (Rupees seven hundred and fifty only) may kindly be sanctioned in favour of B. Mohini Bai, Widow of the late Forester.

6. The late Forester had been paid an excess amount of Rs. 33-10-0 towards his leave salary. A copy of S.Kanara Dt. Forest Officer's letter No. 2484/51-J1 dated 8-10-52 is enclosed. I request that Government may be pleased to waive this amount. The ex-gratia grant of Rs. 750/- suggested by me in para 5 above may be reduced to Rs. 700/- in view of the excess payment of leave salary of Rs. 33-10-0.

7. The grant if sanctioned, may be made payable at the District Treasury, Mangalore.

8. The intimation about the death was received by the Dt. Forest Officer on 26-5-52 and the Tahsildar was addressed by the

P.T.O.

Dt. Forest Officer on 30-5-52. The Tahsildar's first report was received by the Dt. Forest Officer on 21-7-52. As it was incomplete the Dt. Forest Officer addressed the Tahsildar again on 27-7-52 and the Tahsildar's final report was received on 11-8-52 by the Dt. Forest Officer and the Dt. Forest Officer's report was received in this office on 2-9-52 and again the Dt. Forest Officer was referred to in connection with the excess payment of leave salary to the Forester and his report was received in this office on 14-10-52.

8. The following records are submitted herewith.

(i) Application for compassionate gratuity (in duplicate).
(ii) Dt. Forest Officer's letter No.2484/51-J1 dated 30-5-52 to the Tahsildar, Mangalore.

I submit that deceased Forester Sri U. Sanjiva Rao was granted the following unearned leave on medical certificate commuted to full pay as well as half pay:-

Sl. No.	S.O. No.	Nature and period of leave.	Leave commuted to full pay. M. D	Leave on half pay. M.D	No of days in terms of half pay

It is seen from the above that the Forester was granted 364 days of leave on half leave salary against one year of unearned leave on medical certificate as per rule 15(a) of Madras Leave Rules of 1933.

The commuted leave on full pay(items (2) & (3)) above was granted on two different occasions and the period granted on each occasion does not exceed two months. The leave was granted with the above interpretation of rule 15(b) of Madras Leave Rules of 1933 which says that commuted leave shall not be granted for more than two months at any one time. As pointed out in the Conservator's reference cited above, the deceased Forester is paid leave salary for 35 days more (as per items (2) and (3)above) at the full rates. The details of leave salary paid are

2. The details above show that the amount paid in excess is Rs.33-10-0. I submit that this amount may please be taken into account while recommending compassionate gratuity to the Forester. The Dearness allowance paid to the Forester is not affected.

3. Qualified Doctors were treating the Forester - one was M.B.B.S and M.S and the other was M.B. F.R.C.S(Eng) and they certified for the grant of leave to the Forester. As per their medical certificates, the doctors wanted the Forester to take complete rest and it could be reasonably foreseen that the Forester would return to duty on the expiry of leave. This aspect was examined every time the leave was granted.

Total provision for the year ..

Balance available ..

3. The rules regarding grant of compassionate gratuities are put up at ( ).

4. Unless the total allotment is increased, the average amount available for each case likely to be sanctioned in the current year is about Rs.

The maximum amount admissible in this case is Rs.

4. Under rule 6(i)(a) of the Madras Compassionate Gratuities Rules, 1932, compassionate gratuity shall not ordinarily be granted where the deceased Government servant had rendered less than ten years' permanent service. In this case, the late Forester had put in a total service of only 4 years 7 months and 3 days. Hence the family of the deceased is not eligible for any gratuity. But the Chief Conservator of Forests has recommended the grant of a compassionate gratuity of Rs.700/- as a special case to the widow in view of the young age of the widow and the children, their present helpless condition and the military service rendered by the deceased.

As the deceased Government servant was paid an excess leave-salary of Rs.33-10-0, the Chief Conservator of Forests has reduced the amount of compassionate gratuity he would otherwise recommend from Rs.750/- to Rs.700/- and has also recommended waiver of recovery of the excess leave-salary of Rs.33-10-0.

The maximum amount that may be given in this case is Rs.(62 + 24) x 12 = Rs.1,032/-.

For orders as to the amount of compassionate gratuity to be given on the basis that the recovery of the excess leave-salary of Rs.33-10-0 will be waived by Government.
